

TEALS Program

## Welcome To Meetup #2

**Do Now**

1. Introduce yourself & answer one of the following questions in the chat:
  - If you were invisible for a day, what would you do?
  - What is your favorite game to play?
  - What is one thing you are really good at?
2. Download this document to take notes during the meetup:  
[aka.ms/PNWMeetup2Notes](https://aka.ms/PNWMeetup2Notes)

**Pointer Instructions**

- You should see the tool bar at the top of your screen
- Click the laser pointer tool
- Your arrow should now look like this 
- To turn off your laser pointer, click the selector arrow 

---

---

---

---

---

---

---

9

Place your laser pointer where you are on the spectrum below:

Spontaneous

Planner

10

---

---

---

---

---

---

---

Place your laser pointer where you are on the spectrum below:

I think before  
I speak

I speak as I  
think

11

---

---

---

---

---

---

---

Place your laser pointer where you are on the spectrum below:

Extrovert

Introvert

12

---

---

---

---

---

---

---

Place your laser pointer where you are on the spectrum below:

School is in-person

School is virtual

More About...

Hour of Code

15

---

---

---

---

---

---

---

Computer Science  
Education Week  
DECEMBER 7-13, 2020

**Hour of Code**  
Sample Activities

#codeorg #hourofcode

1. Host an Hour of Code at your school or the local elementary/middle school and have your high school students serve as mentors.
2. Present info about CS during a local parent and teacher organizational meeting.
3. CS faculty from local colleges can visit.
4. Host a virtual or in-person career talk with volunteers.

Does your teaching team have a plan?  
What are some ideas you can share?

---

---

---

---

---

---

---

As you tour the gallery, take time for personal reflection and group discussion

- One thing that you like
- One thing that you wonder about
- One change you would make

Choose one idea to try in your classroom

---

---

---

---

---

---

---

---

22

### Viewing the gallery

**Your tour guide will be the person in the room with the next birthday**

- The tour guide will lead the discussion, keep track of time, and share their screen with the Gallery Walk Slide Deck
- All participants take notes in their Gallery Walk Notes Document

**Please download two documents now**

- Gallery Walk viewing slide deck: [aka.ms/PNWGalleryWalk](https://aka.ms/PNWGalleryWalk)
- Gallery Walk notes document: [aka.ms/PNWGalleryWalkNotes](https://aka.ms/PNWGalleryWalkNotes)

**Gallery Item title matches post title in the TEALS Forum**

- <http://forums.tealsk12.org/>

---

---

---

---

---

---

---

---

23

### Get ready for Breakout Rooms

**If your icons look like this ...**

**Then it's time to ...**

- Whatever you activate here will automatically be turned on in Breakout Rooms
- Click the green checkmark to deselect anything you don't want to activate

#### Activate Your Devices

☒ Webcam
 ☒ Microphone

---

---

---

---

---

---

---

---

24

While in Breakout ...

We will return to the main room at

The person with the next birthday will be the tour guide in your room. You will automatically be returned to the Main Room at the end of the Breakout Session.

You can load and play files, use the whiteboard, and share screens.

Watch the yellow message bar at the top of the screen for important announcements

Have questions in your Breakout Room? Click 'Call Instructor'!

25

## TEALS Gallery Walk

A collection of ideas for use in your Computer Science classroom  
Fall 2020

---

---

---

---

---

---

---

---

26

Share out

Reflect on your Gallery Walk experience:
 

- What worked for you?
- What was challenging?

How do you envision the use of a Gallery Walk in your classroom?

Share in the chat

---

---

---

---

---

---

---

---

27

### Wrap-Up

**Next : Meetup #3 in February 2021**

Slide deck and Resources from this meetup will be available in the TEALS Forum January 4, 2021

28

---

---

---

---

---

---

---

---

Thank you for coming and for being a part of TEALS!
