Semester 2:
A Good Time
For A Reset

31

Semester 2 ... A Good Time For a Reset

Reflection and Intention Exercises

- Give students time to reflect on Semester 1
- Have students set goals for Semester 2
- Give time for students to revisit their goals at the midterm and at the end of the year

Procedures & Routines: Revisit, Reteach, Refresh

- Lesson planning
- Asynchronous lessons and activities
- Synchronous instruction
- Individual student engagement

Try New Classroom Techniques

- Make a list of 3-5 things you would like to change
- Choose one item on the list to work on for two weeks
- Create an actionable plan to help you make the change

32

Activity: Make Your Semester 2 Intention

What is one thing you would like to work on to be a better teacher in Semester 2?

It can be personal to you or something about your students

Write down your intention

Save it somewhere you can reference it later

Share your intention in the chat

Either share your intention statement or what your intention is about

Leave an encouraging comment for at least one other person
